## PART I—Section 1

**Notifications relating to Non-Statutory Rules, Regulation and Orders and Resolutions issued  
by the Ministries of the Government of India (other than the Ministry of Defence) and by  
the Supreme Court**

**OFFICE OF THE SECRETARY TO THE PRESIDENT***New Delhi, the 29th January 1957*

**No. 12-Pres/57.**—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officers of the Rajasthan Police:

**Name of the Officers and Ranks**

1. Shri Guman Singh, I.P.S., Assistant Inspector General of Police, Jodhpur.
2. Shri Mala Ram, Constable No. 93, Sirohi District. (*Deceased*).
3. Shri Hari Singh, Constable No. 228, Jodhpur District. (*Deceased*).

**Statement of services for which the decorations have been awarded.**—On 27th May, 1956 on receipt of information that the notorious dacoit Gulumian and his associates were hiding in the cave of Sadka-Mata temple in the hills of Mount Abu. Shri Guman Singh accompanied by a Police Party and guides reached Mount Abu at about 11 P.M. The hide-out of the dacoits was still 11 miles away, but it was decided to cover the distance at night in order to reach the cave before sunrise.

When they were about 3 miles from the cave, Shri Guman Singh proceeded ahead with an advance party. Just before dawn as this party was about to encircle the cave, one of the dacoits alerted his associates, who thereupon opened fire. Unmindful of this volley, Shri Guman Singh posted members of his party at strategic points and ensured that no exit from the cave was left unguarded.

Shri Guman Singh accompanied by Constable Mala Ram made a reconnaissance when he discovered that an exit from the cave had been blocked by a temporary wall providing cover for the dacoits. He directed the Constable to break down the wall, and himself stood guard. Suddenly there was a burst of fire. Constable Mala Ram was wounded and later succumbed to his injuries. Shri Guman Singh withdrew dragging back the wounded Constable with him. The rifle of the Constable however remained at the spot and it was feared that the dacoits would get hold of it through the opening in the wall. Constable Hari Singh volunteered to retrieve the rifle in spite of the great risk involved. He managed to crawl up to the spot and picked up the rifle and cartridges, but as he was running back, he was hit by a bullet and killed instantaneously.

A hole had however been made in the wall and it was now possible to throw in hand-grenades. After some time the remaining Police party also arrived enabling Shri Guman Singh to re-enforce the pickets. One of the dacoits Bachan Singh was shot dead while trying to escape. The others continued firing from inside the cave. Sporadic firing continued from both sides throughout the evening and the night. Early next morning the inside of the cave was tear gassed and after some time there was complete silence. An advance party led by Shri Guman Singh entered the cave and found the remaining three dacoits dead. One 303 rifle, one DBBL gun, one SBBL gun and one M.L. gun with a considerable amount of ammunition and other articles were recovered.

In this encounter, which lasted for 29 hours, Shri Guman Singh displayed conspicuous gallantry and exceptional courage and leadership. Constables Mala Ram and Hari Singh displayed exceptional courage and devotion to duty of the highest order.

2. These awards are made for gallantry under rule 4(1) of the rules governing the award of the President's Police and Fire Services Medal and in the cases of Constables Mala Ram and Hari Singh carry with them the special allowances admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

### RESOLUTION

## (Department of Revenue)

New Delhi, the 23rd January 1957

No. 4/10/55-Cus. III.—The procedures for the clearance of goods and passengers' baggage at present followed by the Custom Houses in India have grown into their present form over many years during which rapid changes have taken place in the practices adopted in international trade and commerce. Although these procedures have been under constant review by the Collectors of Customs as well as by the Central Board of Revenue, basically they are still the same as those followed over three quarters of a century ago. Both the Government of India as well as the commercial public have, therefore, felt the need, particularly in recent years, for a detailed investigation of the content and operation of these procedures so as to achieve the requisite degree of modernisation, especially in respect of speed and efficiency. An examination would simultaneously be necessary of the connected questions of adequacy and level of efficiency of the organisation and staff of the Custom Houses. The Government of India have accordingly decided to appoint a Committee to conduct a comprehensive enquiry into Customs procedures and organization and to make recommendations for their improvement.

2. The Committee will consist of the following:—

#### Chairman

Shri F. C. Badhwar (Retired Chairman, Railway Board), Managing Director, Messrs. Bird & Co., New Delhi.

#### Members

- Shri S. M. Shah, President, All India Importers' Association, Bombay.
- Shri E. J. Benjamin, Director, Messrs. Robert Maclean & Co., Calcutta.

3. Shri W. Saldanha, Officer On Special Duty, Central Board of Revenue, New Delhi.

Shri V. S. Ramaswamy, Assistant Collector of Customs, will be Secretary of the Committee.

3. The following will be the terms of reference to the Committee:—

(1) To examine in detail the procedure:—

- for the clearance of goods and passengers' baggage through the Customs at the sea ports, airports and land customs stations;
- for the administration of Import, Export & Exchange Control regulations;
- for ensuring uniformity of classification of goods and methods of valuation;
- for the grant of Customs refunds and drawbacks; and
- other matters of Customs procedure generally.

(2) To examine the liaison between the Customs on the one hand and the trade, the Port Trust/Commissioners, the Import & Export Trade Control authorities, and the Post and Telegraph Department, on the other;

(3) In the light of examination made under items (1) and (2) above, and having regard to the safety of Government revenue, the adequate enforcement of prohibitions and restrictions, and the legitimate interests of the trade and of passengers, to recommend the modifications required in the various procedures for making them more effective, simpler and speedier;

(4) To examine the administration of the existing Customs Department as a whole with reference to the adequacy and disposition of staff provided at various levels, their working conditions, the exercise and delegation of responsibility and methods of recruitment and training.

(5) In the light of the examination referred to in item (4) above, to recommend necessary improvements;

(6) To make any other recommendations germane to the objective of the investigation.

3. The Committee will submit its report to the Ministry of Finance (Department of Revenue) within nine months of the date of its appointment.

4. The Committee will function in the Revenue Department of the Ministry of Finance, New Delhi.

**MINISTRY OF PRODUCTION****RESOLUTION***New Delhi, the 23rd January 1957*

**No. 18(9)/55-Salt.**—The Salt Advisory Committee, which was originally set up in August 1949 and subsequently reconstituted in March 1952, to advise the Government of India on measures concerning the development of the Indian Salt Industry, has been of great assistance ever since its inception and has contributed considerably to the great strides made by the industry in recent years. Following the enactment of the Salt Cess Act which came into force on the 2nd January, 1954, a Central Board and six Regional Boards for salt were constituted under this Ministry's Resolution No. 9(1)/54-Fy. II dated the 11th October, 1954, for advising Government on the administration of the proceeds of the Salt Cess. A certain amount of overlapping exists in the membership as well as the functions of the Salt Advisory Committee and the Central Board for salt, and to obviate this, and, at the same time, secure maximum Co-ordination, the Government of India have decided to wind up the Salt Advisory Committee by suitably enlarging the functions and membership of the Central Board and making it fully representative of all salt interests.

2. A Resolution announcing the details of the re-constituted Central Board for Salt is being issued separately.

**ORDER**

Ordered that this Resolution be communicated to all State Governments, all Ministries of the Government of India, Planning Commission, Cabinet Secretariat and Prime Minister's Secretariat.
